DAILY REPORT

Report No. 45. GP-151

Date: Week of April 20, 2009

**Monday, April 20, 2009**

Attended Champions meeting. Reminded/briefed attendees of safety policy on SAS project, i.e., all visitors must be escorted by a staff member who regularly attends tailgate meetings (w/ hardhat sticker).

Participated in Team China teleconference. Doug Coe is now taking the lead in coordinating the regular meetings.

**Tuesday, April 21, 2009**

Attended BATA briefing and provided an update on the status of the SAS project.

Met with Peter van der Waart to discuss several issues. It was agreed we would attend next weeks CCO meeting to understand outstanding issues required for to execute certain CCO's.

Met with east end detailing focus team. With input from the team, the management summary was populated with dates/data.

ABF completed off loading temporary works from the Zhen Hua 18.

**Wednesday, April 22, 2009**

The Zhen Hua 18 departed Pier 7 this morning to return to China/ZPMC for another load of temporary works.

Met with ABF regarding costing of CCO 95 Tensor additional detailing. Tony Anziano joined the meeting part way into it.

Weekly 4:30 pm core meeting teleconference with Team China canceled by Pete Siegenthaler.

**Thursday, April 23, 2009**

Family Sick Leave. Annual safety refresher held this morning.

**Friday, April 24, 2009**

Family Sick Leave
