Description of Operation:

From March 2, 2009 to March 13, 2009 I worked with Tai-Lin Liu and Ajay Sehgal on the data we gathered while in China. We had to transfer the data from the machine we used in China to the hard drive of our office computer, then to an excel spreadsheet. Once these were in Excel, we had to go over each and every data entry to make sure they were all correct.

OVERTIME: Overtime was worked helping with the Temporary Tower group, one hour on each of March 9 and March 10.
