		Honda 115 Horse Skiff									
002075		Ingersoll Rand P185R									
S-125		Manlift	8.00						Genie	481936009	

I attended the mandatory Safety Awareness session, which was a make-up for the one held on April 23rd when I was in the field for the post-tensioning operation at "W2."

At Pier E2, the work of dis-assembling the falsework continues on the footing.

I continued to review ABF/SDI's grouting plan.

For details of all work at "W2" consult Matt Bruce's diary.
