- Tuesday, July 28, 2009

Worked on miscellaneous job related issues.

Attended Temporary Towers construction meeting.

Talked to Jim Davidson with ABF. Reminded him to conduct detailed inspection of the W2 falsework deck lowering system prior to lowering operation and after completion. Also requested certification letter signed by registered civil engineer, asked to certify that falsework lowering system built in conformance with the approved plans and all the welding done per applicable codes. Jim said that ABF will conduct the inspection but refused to issue a certification letter, because he thinks is not required by the contract.
