Friday, June 5, 2009

Don Ross and I held briefing with Pete Siegnethaler, Jon Tapping, Mike Forner, and Rich Foley regarding the issues surrounding NOPC 5, Cable/OBG Interference. All concurred with the present approach. Next step: determine why ABF believes Department's offer grossly understated.

Pete, Don Ross and I, provided a presentation on east end OBG issues and exposure to the Department to the PMT and management. Received direction to prepare a draft CCO to resolve the issue with a proviso that ABF become more participant and engaged in solutions.

Met with ABF, Mike Flowers, Peter van der Waart, Brian Petersen, regarding resolution of indirect impacts associated with CCO 108. ABF is looking for some 7 months of compensable compensation for impacts.
