Began weekly SAS core team meetings with ABF & CT Pier 7 only ½ hour before contacting China for the Team China/Pier 7 ABF/CT core team meetings. Tony followed by core team with China and ABF.

Bi-weekly safety meeting hosted by Grady. Followed by an abbreviated staff meeting which included photo presentations of the Labor Day weekend and progress in China.

Met with Mike Flowers to discuss insurance considerations and approach on CCO 80. I suggested a lump sum payment to provide compensation for the added insurance costs/deductable risk. Mike was open to the suggestion and said he'd let me know by tomorrow. I indicated I needed concurrence from HQ before we could proceed with the approach.

Held brief Team China teleconference this afternoon. Tony A & Ken T participated on Shanghai end where they were traveling.

Drafted and edited several letters for transmission to ABF.
