DAILY REPORT

Report No. 45. GP-178

Date: Week of October 26, 09

Monday, October 26, 2009

Attended a rather short Champions meeting. Ken and Brian were not in attendance.

Field reviewed work on YBI to and, in particular, the installation of one of the piles for the temporary works trestle to T1.

Tuesday, October 27, 2009

Attended annual Construction All Managers Meeting in Sacramento.

Learned in the evening that there had been a failure of the eye bar retrofit that had been installed over Labor Day Weekend on the existing SFOBB.

Wednesday, October 28, 2009

Attended annual Construction All Managers Meeting in Sacramento. Returned to Pier 7 at 2:30 pm for two meetings, which were cancelled due to the focus on repair of the failed repair of the existing SBOBB.

Hand delivered CCO 123 to ABF, Peter van der Waart, for comment.

Thursday, October 29, 2009

Bi-weekly senior staff meeting held in the morning (see April notes).

Friday, October 30, 2009

Met with Ali Banani to kick off a resource estimating exercise for the 10/11 FY.

ABF presentation on unloading ships when lifts arrive was cancelled due to effort on repairing eye bar failure on existing bridge. Likewise, SAS managers meeting to be held today was cancelled.

Category 45.01

Gary Pursell
Resident Engineer, SAS Bridge
