DAILY REPORT

Report No. 45. GP-179

Date: Week of November 2, 09

Monday, November 2, 2009

Attended a rather short Champions meeting. Ken and Brian were not in attendance.

Field reviewed work on YBI to and, in particular, the installation of one of the piles for the temporary works trestle to T1.

Tuesday, November 3, 2009

Nothing specific to report today.

Wednesday, November 4, 2009

Met with ABF, Brian Petersen & Kevin Smith, to review and clarify ABF Letter 1263. Letter sent to ABF later in day to memorialize the discussion.

Held SAS management meeting with Ken T, Pete S, Tony A, Rick M, Jason T and myself. Discussed a number of current issues.

Thursday, November 5, 2009

Bi-weekly safety meeting this morning. ABF's safety officer, David Gainey, provided an overview of ABF's development of confined space procedures.

Safety meeting followed by a brief all staff meeting.

TBPOC meeting held at Pier 7 today. ABF principles attended part of the meeting to discuss Shop Drawings and China shipments. Candraft managers, John Cooper and Matt Morrison, were also in attendance.

Attended weekly Team China teleconference with Doug Coe in China.

Friday, November 6, 2009

Attempted to visit jobsite on YBI and attend the scheduled YBI Contractor coordination meeting, however traffic was backed up on bridge due to accident, so could not get there.

Gary Pursell
Resident Engineer, SAS Bridge
