DAILY REPORT

Report No. 45. GP-185

Date: Week of December 14,
2009

Monday, December 14, 2009

Prepared draft interview questions for upcoming construction engineering consultant interviews.

Attended and provided input at quarterly SAS Risk Management update meeting, which was chaired by Rich Foley.

Participated in Team China teleconference from Pier 7 (See April's notes).

Tuesday, December 15, 2009

Pete returned to Pier 7 from China.

Field reviewed the work at the end of the Skyway (k-rail to lower profile) and the progress of the temporary tower/truss system from the Skyway.

Wednesday, December 16, 2009

Participated on a consultant selection panel for construction engineering services on the SAS project. The current contract with Ghirardelli is scheduled to expire in March.

Attended core team meeting with ABF & Team China.

Thursday, December 17, 2009

Bi-weekly safety meeting this morning with a focus on the hazards of driving with cell phone. Safety meeting followed by a short all staff meeting. Bart Ney shared an update on PIO activities.

Attended the D4 quarterly AGC Liaison meeting in Richmond, where I provided an update on Bay Bridge construction activities.

Holiday potluck luncheon held today with SAS staff.

Results of consultant selection process were released for a construction engineering services on-call contract. Ranking Vali Cooper 1st, Ghirardelli 2nd, Caltrop 3rd, C2PM 4th. Met with Ghirardelli staff to explain selection process.

Friday, December 18, 2009

Met with Peter van der Waart to discuss RQT scheduling software needs/requirements.

Gary Pursell
Resident Engineer, SAS Bridge
