DAILY REPORT

Report No. 45. GP-193

Date: Week of February 8,
2010

Monday, February 8, 2010

Morning meeting with ABF (ABF: Petersen, Kick, and Smith. CT: Pursell, Morrow & Maroney) to discuss critical issues with erection operations.

Did not attend weekly Champions meeting.

Participated in weekly TC teleconference.

Tuesday, February 9, 2010

Worked on a number of correspondence and RFCO responses.

Wednesday, February 10, 2010

I visited W2 jobsite to review safety and OBG erection operations underway.

The television show "60 Minutes" was on site today. The crews spent several hours on W2 and the temporary trusses obtaining video and questioning Bart Ney, PIO Officer.

SAS management meeting held today, followed by a brief core team meeting with ABF, with only Bob Kick in attendance. ABF's board at Pier 7 and reviewing work in progress in field. No Team China teleconference today.

Thursday, February 11, 2010

Bi-weekly safety meeting this morning with focus on environmental/wildlife safety issues, this was followed by a lengthy discussion on access and safety during OBG erection operations. Safety meeting followed by all SAS staff meeting where current issues were discussed.

The television show "60 Minutes" on sit again today, taking footage of activities and displays in the SAS office facility.

Attended monthly TBPOC meeting with AFB and TYLin executive staff in attendance. Much focus on completing the work in 2013.

Weekly TC teleconference held in pm.

Friday, February 12, 2010

SSPRP meeting held this morning. I attended in part for SAS discussions.

Participated in interview regarding the recent consultant selection process for contract administration services.
