Seismic Retrofit  
Project (SAS)

Report

Robert Kobal

Week of 2012-08-27

**SAS Bridge Travelers/Skyway cleanup**

**Mon 2012-08-27**

Attended general staff meeting.

Attended ABF/CT senior staff meeting.

Attended Champions meeting.

Worked on bridge security issues

Worked on getting a survey of the cross slope of the skyway bikepath.

Met with Clive Endress and Nicolai Hvass on the Skyway bikepath to discuss the nonskid paint colors. The existing surface color has faded from the original color. Clive will study the matter further.

**Tue 2012-08-28**

Met with Dane Lobb on bridge security.

Later met with Dane, Steve Hulsebus, Roland AuYeoung, and Beth Thomas to discuss speed limits for bikes and signage on the bikepath. We determined that the limit should be 15 mph, but since bikes don't usually have speedometers radar speed 2 advisory signs will be installed. Steve will have PB do the design work.

Attended a meeting with Dan McElhinney and others to discuss BASE cameras, in particular upgrading the cameras on the west spans.

**Wed 2012-08-29**

Attended SAS senior staff meeting.

Worked on RFI 3009

Worked on bridge security issues- a gate on the cable.

Met with Maintenance and escorted officers setting up for the urban shield exercise in October.

**Thur 2012-08-30**

Attended Safety meeting.

Worked on getting a survey of the cross slope of the skyway bikepath.

Discussed solutions to RFI 2610R2 (actuator conflict with the floor beam) with Tom Fechter of Enerpac to see if modifying the actuator is feasible. He indicated that it would be and will look into it. It will probably need to be looked into with Tim Silke when he gets back from vacation.

Worked on security guard implementation and notified partner agencies PG&E, EBMUD, AT&T, EB Parks about guard shack. They will all have company ID badges.

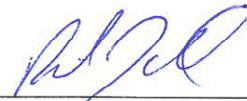

Prepared for and lead the Traveler meeting- see meeting notes.

**Friday 2012-08-31**

Attended OBG staff meeting.

Worked on RFIs 2610R2, 2978 traveler actuator and elevating platform issues.

Worked on bridge security issues.
