Week of 12/31/12-01/04/13
04-0120F4

12/31/2012 Monday

I talked to Mark MacDonald about standard thickness, between 3mm and 6mm, of door seal manufactured by manufacturer. I e-mailed Dan McNichol for the information. It is possible that I need to reduce the thickness of door seal.

01/01/2013 Tuesday

New Year Day

01/02/2013 Wednesday

Informal time off and annual leave.

01/03/2013 Thursday
