General Comments

Tai-Lin Liu; Diary on 03/24/10, Wednesday – Sunny Day (around 55 – 62 F)

- Arrived Burma Road office at 7:05 am. Talked to Lalit & Masoud for 2W erection status. ABF was still installing CB2 tier 2 component which the connector to tier had been broken yesterday evening.
- Worked with Damon to change diary reviewer at PMIV system.
- Reviewed Victor, Abbas, Jason and Philip's diaries.
- Called Victor to find out what is the status of Team China Punch List item progress. Later on, Victor came to my office and showed me that the spreadsheets he prepared and discussed the progress.
- Checked Sub #1361R03 final comments on PMIV, later on Brian has his own option.
- Talked to Gil & Brian regarding my HSP application, Brian did re-submit my application to Rob.
- At 3:15 PM, Philip called me and informed me that CB2 has been pushed to at center of lift 4E location.
- Abbas came to my office and gave me a new set of revised files for shipment 2 inspection maps, and asked me to scan through one more time.
- Talked to Pat Lowery regarding pre-paint meeting tomorrow, field-welding status at 2E/3E splice location, China punch list items, requirement for erecting CB2, etc.
- Jason called in and informed me that the field bolting and welding status. TYL John Denis sent an e-mail asking the field splice status for CB2 erection. Called Jason again to find out the current status and sent the info back to John and other people as well.
- Wrote this diary and sent to Gil, also reviewed some of the diaries.
