General Comments								
123 0-000-000.123								
I arrived at W2W at 1415 and discussed the day's operations with Hector Garcia. He said they installed one section of the 10 NPS CCSF Sewer, north leg under W2E, but had to send the next section in for trimming, so they moved to installing the 12 NPS CCSF Water under W2W. The whole crew worked on this operation throughout the day.								<input type="checkbox"/>
