CERTIFIED COATING COMPANY	<input type="checkbox"/>
Contractor was working in the interior of OBG #1, 2, and 3 sand blast weld seams, clean up and paint touchup on the W-line.	
Myself and Fintan Shanley checked three location where bike path beams were installed on areas on the OBG where there was an access opening, some areas didn't have full bearing and require those areas to sealed. Contractor was notified and agreed to seal the areas.
