**Diary:**

Dispute

**Work description.**

- Addressed miscellaneous surveying issues on the project related to OBG (bikepath) and cable works.
- Surveyed the centerline punchmarks of the first 6 bikepath segments from Panel Point 9 to 21 with the assistance of Sebastian Mofor. Began to process data collected for this survey.
- Continued to obtain additional quotes for the Topcon GRS-1 GPS equipment for the District 4 office purchasing unit.
- Refer to Lalit's diary for more details regarding ABFs operation, labor, and equipment for cleaning the water from the pipe blockouts for the anchor rods of the Shear Keys over the columns at the E2 cap beam. See the photos below for additional details and comments.
