Work description.

- Dropped off the construction truck that I am using #0070449 for routine maintenance. The Rickard Street Maintenance station was the shop where the truck was brought for service. The maintenance shop is located in San Francisco under the 280/101 Interchange.
- Began to prepare for surveying OBG lifts 11, 12, and 13.
- Worked on miscellaneous surveying issues related to the upcoming cable work.

Attachment

Two strands used for the south backspan primary tramway which were pulled on Saturday.

The westbound Skyway structure where the stairs on the falsework were being removed.
