**cable erection**

1 hour safety meeting in the morning. Then I continued with entering all sag measurements & old (early Jan - Feb, 2012) sag measurements for Brian Boal's cable adjustment crew onto a spreadsheet. ABF's sag measurements are also being entered into the spreadsheet as well. Alex Schmitt went to the Emeryville Medical center with me to check out the injury I had from Feb 24, 2012. A big lump grew out of my left wrist.
