Workers hours: 10 hours total including 2 hours overtime for all. 12 hours total including 4 hours overtime for Tony Costa, Casey Lux, Jonathon Biskner and Zack M. Doug covered the work on the north side periodically given that I had left the bridge after I was told by ABF no one was working 12 hours. They started installing the phase-3 jacking equipment at PPs 84N and removing jacks at several locations.

My work hours: 11 hours total including 3 hours overtime.
