From this I finalized my response to Submittal 2807 and sent it in to PMIV. •Mark MacDonald called to see if we wanted to place vibrators under the hinge pipe beams at Hinge KE like we did under KW. I confirmed with Paul Jefferson and said that we did. •Received a call from Zach Lauria asking who is reviewing Submittal 764R03. I found out that is was Thuc Tran and told him. I also sent Thuc an email and called him to let him know Zach wants a response sooner than later. •Scott Croff (METS) called inquiring who was on the T1 tower. I informed him that Martin Chandrawinata was and confirmed with him that he would further discuss with him. •Prepared to host the Safety Meeting Thursday 1/31. •Reviewed CCO 277 for Bill Casey and Angela Haack •Reviewed YBITS CCO 72. <p>Accrued 2 hours of overtime covering the Contractor's hours.</p>
