General Comments

Clear and mild

GENERAL:

- Opened the gate for the storage yard for the FSHCC pour this morning.
 - Email review
 - 0800 hrs SAS Staff Meeting
 - Worked on Submittal 2834 response. Marcos McManus drafted up the response and I reviewed it, stamped and attached the plan and "Actioned" it to April Smith. She said she finalized it and put it into PMIV.
 - Yong Lee called to inquire about the Hinge K finish date.
 - Thuc Tran called to request help covering methacrylate work. I said I didn't know anything about methacrylate, but that I would cover the meeting for the epoxy AC mockup, and I went to the storage yard to review what work was to be done where. Met OC Jones foreman Bill, ABF Bob Kick and Lisa MacDonald, and Yong Lee (CT), Mohantesh (CT), Ric Maggenti (CT), and Paul Jefferson (CT).
 - Diary work
 - Intermittent phone calls from ABF throughout the day.
- Hinge A field work covered by Parviz Jalali.
