Item	Title	Detail
1	Meetings attended	Attended a meeting with Keith Davenport and Ady Velasco and discussed submittal 147R01 (Revised OBG fabrication procedures). We went over the previous comments from earlier revision. We all agreed that the submittal can be approved as noted. Contractor still needs to clarify the method of performing the intersecting welds in the floor beam web, and explain the use control lines for the floorbeam. We also discussed the remaining items to be checked prior to start of fabrication of the bottom panels.
2	Key conversations	OSM Confirmed with Mr. Steve Latten with ABF that the Wuxi Boiler audit will be performed on Tuesday Sept 4, 2007.
