Item	Title	Detail
1	Other important observations	ISMR McReynolds and Senior Caltrans Engineer Gem-Yeu Ma visited Shanghai Research Institute of Materials to review the labs Charpy impact specimen fabrication and testing procedures. Mr. Wang Bin from SRIM hosted the visit and provided a tour of the equipment and processes from the machining stage to final testing. The fabrication and testing methods were in compliance with ASTM and Caltrans requirements and spot checks of test specimens were all satisfactory. An SMR report was created by ISMR McReynolds to provide more details on the subject.

Inspected By: McReynolds, Robert
