

## DISTRIBUTION OF FINAL ENVIRONMENTAL IMPACT STATEMENTS

After FHWA approval of the FEIS is received the document is to be distributed to the public. To assist in insuring that the statement is recognized as being the formal distribution of the FHWA adopted FEIS, specifically state in the document transmittal letter that distribution is being made on behalf of FHWA in accordance with 23 CFR 771. A dated copy of the transmittal letter shall be sent to the Headquarters Environmental. The district is to publish a Notice of Availability at this time in a newspaper having general circulation (see *PDPM* for format). Upon completion of distribution the district will notify FHWA which will furnish the FEIS to EPA and request publication of a Notice of Availability in the Federal Register.

Copies of the FEIS will be sent by the District to:

- Headquarters Environmental by memo (9 copies plus a copy of the findings and statement of overriding considerations. If there is no CTC action, send only 2 copies). Include in the memo the date the FEIS was made available to the public.
- FHWA (15 copies)
- Areawide Clearinghouse or COG (with State Clearinghouse Form).
- Planning agencies of any affected city or county.
- City Council and Board of Supervisors of any affected city and county.
- U. S. Department of Energy (2 copies)
- U. S. Department of Interior (9 copies)
- Environmental Protection Agency (1 copy to regional office only)
- Responsible and cooperating agencies.
- Any person, group, or agency which made substantive comment on the DEIS and which requested a copy of the FEIS.
- Area legislators.
- Anyone who requests a copy charges may be made as appropriate.
- Each District Environmental Office by route slip.
